GVT COLLECTION

LUCIDO

Digital Glazed Vitrified Tiles

Every designer is always on the lookout for an impulse of inspiration that'll set off the next masterpiece. CERA GVT is one such collection that aims to be that spark. The intricate details of Italian marbles, exotic stones, lively wooden textures, mesmerising book matches... It's nature's extravaganza captured on vitrified tiles.

You could think of it as a surface inspired by natural marble, but one that even exceeds the expectations and performance of its muse. In all its royalty and grandeur it offers functionality like none other. The Cera GVT collection spoils you for choice with 3 different sizes. The range exhibits unlimited design possibilities spread across different themes.

Each of them helps you express your discerning taste in discerning ways. Cera GVT opens up a whole new world of possibilities in the world of architecture, that begins with an inspiration called nature.
